

James Tocher

Production Sound Trainee

Mobile: 07401 272242

Email: james@cerberusaudio.co.uk

Website: www.cerberusaudio.co.uk

Introduction

James is a prospective sound trainee with experience working as a PSC recordist on short film, documentary, corporate and commercial projects who aims to work in feature film and high end TV. His experience as a freelancer over the past 5 years has given him experience in using industry standard equipment, working on different types of media projects, working with other film crew members, and experience in problem solving sound issues on set.
